

James Stanley

Individual Impact Award

James Stanley has been a long-time donor and supporter of our program. His frequent donations throughout last year funded over 400 bags of healthy food for Halton children. In addition to that support, James continues to champion Food4Kids Halton to his REMAX community. In the spring, James held a food drive for us. He secured donated reusable grocery bags from Farm Boy and distributed them to hundreds of homes with information outlining our most needed food items and instructions to leave donated items on the porch for pick up the following week. A week later, James showed up at the warehouse with his truck overflowing with food - almost \$4,000 worth! Beyond the food collected was the incredible exposure that Food4Kids Halton received because of James' food drive. Hundreds of people received those bags with our name and info on them. There is no price tag on name recognition. We are pleased to recognize James with our **Individual Impact Award** for 2021/22. Thank you, James for all you do and congratulations!
