

Oakville Professional Fire Fighters Association Big Hearts Group Award

The Oakville Professional Firefighters Association has been involved with Food4Kids Halton for a long time. They were one of the first packing groups we hosted last year. Each shift, they come in with a ton of energy, positivity, and commitment. They show up for whatever we need, including volunteering to decorate Smile Cookies, jumping in to help deliver bins when we are short drivers, or fixing freezers that aren't working. One or two of them have even jumped in as packing support or for extra warehouse volunteering when needed. Regardless of the ask, they are eager to help. We were honoured to be the recipient of an annual fundraiser last year, appearing on their OPFFA coin and receiving over \$4,000 in support of our Weekends Without Hunger Program. We even got a few of the cool coins they created with our logo on the back. What a meaningful keepsake! We are thrilled to present them with a Big Hearts Group Award for their continued support. Thank you and congratulations!
